Soccer Fever at HACT

Soccer Friday at HACT, saw all our readers getting into the World Cup spirit. We decided that it was time to show our true colours and have some fun. So we invited all staff members, volunteers and friends of the HACT to join us for a soccer game last Friday. We had to change the rules slightly as we wanted everybody to have a

turn. And we caused such a scene that traffic came to a halt, neighbours started to cheer us on and we even received a soccer challenge!!! Friday the 4th is soccer time again featuring HACT versus Marriott at 10.00 in the gravel car park on 26 Old Main Road. Come and join us for the fun and show your support next week!!!

A careful selection of **70 exhibitors in 5 themed show zones** will be invited to participate in this **inter-active show**, offering useful information, demonstrations, talks and activities. The Hillcrest AIDS Centre Trust has been invited to take part in this beautiful event and we will showcase our craft and host a "Dream for Africa Chair" presentation. Woza Moya News

Little Travellers are now for sale nationwide at Woolworth Stores!!!! This time they are travelling on a Woolworths Passport enhanced with our message and information details. They even come with their own "padkos" as they have a little chocolate bar in the packet.

Proud Bafana Bafana supporters at Woza Moya

With the World Cup coming closer and soccer fever spreading its yellow colour all over the country, Paula Thomson realised it would be hard for the Woza Moya crafters to join in the celebration. Therefore she came up with a great idea and incentive; she traded Bafana T shirts in exchange for Little Travellers.

Now: Every Friday is Soccer Friday at Woza Moya!!

A ray of hope from the Respite Unit

Each morning after 'hand over' from night staff to day staff, we gather in a circle to sing, pray and plan for the day. Patients and their family members, who are able, often join the circle. One morning, a patient who had been with us for ten days and who was very weak, managed to get out of bed on his own, he then borrowed the 'walker' from the patient next door and walked slowly but deliberately over to our circle while leading us in a song. He then prayed for the carers and the other patients and thanked God for the respite unit leaving most of us with tears in our eyes and gratitude for the work we do in our hearts.

Thank You

We would like to thank East Coast Radio Big Favour show with Damon Beard and Fairway Spa in Durban North for the beautiful day Rita Shange, Counselling Manager HACT and Zandile Shange, Education Manager HACT had last week. In November those two had a surprise visit to the radio station after being nominated for the big favour. Their tireless support and love towards our Centre, its clients and their work was rewarded with a day of pampering at Fairway Spa [Www. healthspa.co.za](http://www.healthspa.co.za), which they truly enjoyed.

Durban Girls College has been very generous in supporting us with a huge second hand clothing collection. The second hand clothing project provides an income for 16 families and is relying on second hand clothing donations. Thank you so much for your contribution!!!!

In the news again...

For the first time in history, nearly 500 grandmothers from 13 African countries gathered in Manzini, Swaziland from May 6 8, 2010 to attend the first-ever African Grandmothers Gathering. They convened to share their experience of leading households devastated by AIDS and hammer out a common agenda for action and support. They were joined by a delegation of 42 Canadian grandmothers from the Grandmothers to Grandmothers Campaign of the Stephen Lewis Foundation.
